Specification of types and versions:

Boiler output version	Heat output
KRP-20PA	26 kW
KRP-50PA	52 kW

RULES FOR USING THE CERTIFICATE:

The present Certificate may only be used provided the normative document specified on Page 1 remains valid.

This Certificate may only be used as a certificate for the products specified on Pages 1 and 2. This also applies to its use in advertising, promotional and commercial materials. Unauthorised or deceptive use of the Certificate may result in its withdrawal.

It is prohibited to change, amend or overwrite the data contained in the Certificate.

The Certificate may not be used for the products changed without the consent of the Engineering Test Institute, Public Enterprise, in such a way that conformity with the technical requirements specified on Page 1 has been affected.
